Greetings,

The 2019 iGiveCatholic Campaign has been launched for the third straight year in hopes to support your organizational needs with a successful giving day fundraiser. With Bishop John's blessing and support we have managed to raise over \$140,000 in each of the first two years to directly impact parishes, schools, and other charitable ministries within the Diocese of Lexington. As someone who has had the privilege to support our Catholic Schools as Coordinator for School Administration, I have seen firsthand how successful fundraising campaigns impact our ability to improve our service to others. I have attached the packet for your review and any links for more information. Also, we will be offering training dates to support the various diocesan ministries with their fundraising campaign.

Please feel free to reach me directly at 859-253-1993 ext. 240 with any questions you may have. Bobbi Silver, Diocesan Development Director and I will gladly assist in any way we can to help your organization plan for a successful campaign.

To help us with planning, please RSVP which training dates and how many people plan to attend from your location by July 9th, 2019.

I look forward to hear from you!

Sincerely,

Jeremy Hughes
