

Hello everyone,

Everyone is Dispensed for their Sunday obligation for this coming weekend, however for those who would like to come; Mass will be at the same location and time with the following amendments:

We are taking precautions at Mass due to the Coronavirus for the next 2 weeks. I will not be sending out reminders for servers, lectors, and commentators today. We will be using the same servers for these 2 weeks, I have contacted them. Father and the deacons will take over the duties of the lectors and commentators. They have started taking their temperatures 3 times a day and if anyone in their family gets sick, we will find replacements for them.

Thank you for your understanding. Stay healthy everyone.

Thank you and God Bless,

Corrie Frye  
Parish Secretary
